INVOLUNTARY DISSOLUTION INTENT NOTICE

Dear Corporate Official:

Montana law requires every corporation to file an annual report with accompanying fees each year by April 15. As of the above date, our records indicate we have not received the report. Unfortunately, the corporation named above is therefore in default and is subject to being involuntarily dissolved.

Upon mailing of this notice, involuntary dissolution proceedings against the corporation have been initiated. This is the standard action the law requires this office take with corporations that have fallen behind in their reports and fees.

To return the corporation to good standing you must submit a current annual report and pay the amount of fees and penalty listed above within 90 days. You may file the annual report online at www.bear.mt.gov. If you cannot file online or have trouble with the service, please email our annual reports supervisor at bear@mt.gov or call Joe at (406) 444-5373.

Remember, you have only 90 days to respond. If we do not receive your report and past due fee by December 1, 2006, we will have no choice but to order the corporation dissolved and it will no longer exist. As an involuntarily dissolved corporation, your company will forfeit the amount of any tax, penalty, or costs to the state of Montana and will forfeit its right to carry on business within state.

If you have questions about this notice, or if your records indicate an error, please don't hesitate to contact our office at the email address or phone number listed above.

Sincerely,

Michael O'Brien
Business Service Bureau Deputy
